ACT II, SCENE 4

Ulrex is sitting on the floor wearing only Danish-flag underwear and his bolo (from the first act) and holding his whip. His Danish accent is fading fast, if not completely gone.

ULREX
Ulla, bring me a beer, honey.

ULLA
(offstage) I am busy, Ulrex.

Ulrex lashes out with his whip in the direction of Ulla's voice.

ULREX
I said, bring me a beer.

Ulla comes running onstage with a beer. She's a little bit scared of Ulrex, but also a bit excited and happy.

ULLA
Oh, very well. Here you are.

She gives him the beer and starts to walk away, but he grabs her hand and swings her back, takes her around the waist and sits her down on his lap and kisses her.

ULLA
Why Ulrex. What has gotten into you?

ULREX
Well, I've been thinking about that. And you know, ever since I died, I've been feeling so much better.

ULLA
But Ulrex, you are not dead. If you were dead we would have buried you.

ULREX
Well, whatever I am then. A zombie, a ghoul, a ghost, the living dead. Whatever I am, I feel more alive than I did before I got this thing in my head.

ULLA
But you can't go on like this.

Why not?

ULREX
